- 1. Only ONE (1) business or organization may apply for, occupy and operate from the assigned booth space(s) during each event. Failure to adhere to this rule will result in dismissal from the current event and you may be prohibited from attending future events.**
2. All dealings conducted by booth personnel must be performed so as not to infringe upon the rights of other vendors or offend visitors to the event. Should the vendor desire to pass out printed material, or other articles, this must take place only from within the assigned space. No manner of attracting attention in a noisy or undignified manner will be permitted. No loud music or amplified voice equipment systems are permitted.
3. The Pleasanton Downtown Association (PDA) reserves the right to reasonably refuse service and/or booth rental to anyone.
4. The PDA retains the rights to restrict, exclude or evict vendors or exhibits which, because of their method of operation, noise or other features, become objectionable or which, in the opinion of the PDA may detract from the general character of the event as a whole. This includes persons, things, printed matter, or anything else the PDA judges to be objectionable. If the above mentioned action becomes necessary, PDA will retain the booth fee paid as liquidated damages for breach of this agreement.
5. All vendors setting up a canopy in a space must have it properly anchored and constructed. PDA shall not be responsible or liable for a vendor's use of a canopy or its construction. Each vendor shall hold the PDA harmless from and indemnify the PDA against any injury or property damage that may occur due to the use of a canopy. If a vendor erects a canopy, PDA reserves the right to require the vendor to take it down at any time due to windy conditions; however, the PDA will not be liable for this decision. The PDA will not give refunds if it requires the removal of canopies. Vendors are not to make any holes in vendor or parking area surfaces. Canopies must be erected within boundaries of the booth and no overhang outside these boundaries will be allowed. Any tent or canopy which can hold more than ten people must have a State Fire Marshall tag indicating that it is flame retardant.
6. PDA reserves the right to formulate additional rules and regulations if necessary and each vendor shall abide by such additional rules and regulations, or if unwilling to do so, vendors are entitled to cancel and will not be admitted to the selling field.
7. Vendors are required to keep their booth area and the area directly in front of their booth clean. When leaving, your space **MUST** be in the same condition as when you arrived or you may be prohibited from attending future events. Trash, boxes, or other debris may not be left on the grounds.
8. Trash should only be placed in designated receptacles (City trash cans and cardboard receptacles adjacent to them on Main Street). No trash should be placed in other local merchants' trash containers.
9. Any vehicle illegally parked will be cited and/or towed.
10. No vendor is allowed to have any open container of flammable or combustible liquids, or use any flammable or combustible liquids for repair or demonstration purposes. Food preparation liquids and beverages are exempted.
11. Any spillage of food, beverage, liquids, etc. must be cleaned up in an appropriate fashion. Vendors may be charged for any such services provided by PDA or City of Pleasanton representatives.
12. Execution and submittal of this application constitutes the implied agreement by the vendors to adhere to Pleasanton Downtown Association (PDA) 1st Wednesday Street Party Rules and Regulations. All vendors and their helpers assume all risk of personal injury and loss of property. The PDA reserves the right to revoke any license granted by this contract.
